WORD

“When they said, ‘Let’s go to the house of God,’ my heart leaped for joy...”
– Psalm 122:1 (MSG)

Last week we learned that church is a place of MEETING, not just information.
Let's have **1–2 people share**. How did coming with a greater expectation change your encounter with God this past Sunday?

Message Recap

Many of us have put dreams down because life got hard, people spoke down upon us, or we simply got comfortable. God wants to breathe new life into the dreams He placed inside you. God isn't calling you to just survive and go to heaven one day. He's calling you to carry His presence and make a difference right here on earth.

Let's unpack the following together:

1. **Your Presence Carries Power**

READ: 1 Samuel 7:13

Discussion:

Samuel carried the presence of God; the enemy could not

operate in the land around him.

As a believer, you carry the Holy Spirit. This means the darkness has to move when you show up. Where you go matters. Your presence in your home, work, and community is not an accident; it is where God needs you.

ASK:

"The area where you get the most pushback is the area where God will elevate you the most." Ps Heinrich

- Where are you feeling the most resistance in your life right now, and could that actually be a sign that you're closer to something God wants to do through you?

2. Don't Settle! Strike the Ground Again

READ: 2 Kings 13: 18-19

Discussion:

The king struck the ground only three times when God said to keep going. He settled too soon.

One of the most dangerous traps you can fall into is being comfortable with "good enough." The enemy places a "lid" of limitation on people to keep them feeling "not good enough." God hasn't called you to camp where you are. He wants you to keep striking until the breakthrough is complete.

ASK:

- Why do you think it's easier to keep going when things are terrible than when things are just "okay"? What makes comfort more dangerous than crisis?
- If God told you right now to strike the ground again in one specific area of your life, what would that area be, and what

has been stopping you from swinging again?

3. **God will bring a miraculous Turnaround**

Read: 1 Kings 19 and 2 Kings 2:11

Discussion:

Elijah was threatened with death by Jezebel, and God's response was to take him to heaven in a chariot of fire. He never even died.

The very area in your life where the enemy attacks you the hardest area where God intends to elevate you the most. Don't count God out because you can't see how He's going to do it.

He specializes in suddenly.

ASK:

- Has there ever been a moment in your life where the enemy's attack ended up becoming the launching pad for something God did?
- What is the thing the enemy has been whispering to you most lately? What does God's Word actually say about that specific lie?

4. **Take the Lid off**

READ: John 4:14

Discussion:

Jesus didn't come to give you a drip. He gives in abundance. He gives you rivers of living water gushing out of you. The enemy walks around putting lids on people's lives, but God comes and walks with a crowbar, popping the lids off.

ASK:

Jesus came to give you rivers of living water, not a drip.

- Honestly, which one describes your spiritual life right now, a river or a drip?
- Which lid has been sitting on your life the longest, and where did it come from?

5. **Grace and Right Standing Work together**

READ: John 4:14

Discussion:

Salvation is a free gift; you received it but didn't earn it.

Grace means: you always have another chance.

Right standing means: It won't change until you move.

God also has a plan for your life on earth, to position yourself where He is calling you. Stop making excuses, take responsibility, and reposition yourself. God wants to use you for His bigger plan.

ASK:

- What is sitting in that gap between what God said and what you've actually done?
- What Does Repositioning Actually Look Like for You? If you were going to take one step this week to get into better alignment with what God has been asking of you, what would that one step actually be?

Key: "Grace means you have another chance, but it won't change until you move."

WORKS

Jesus said: “As the Father sent me, so I am sending you.” (John 20:21)

Ask the home cell members:

- How they are going to be Jesus's hands and feet to the people in their world, especially those on the Harry & Sally list?
- o Invite this person to church on Sunday so they may experience God's love and be saved.

Pray together for +- 10 minutes for:

- An outpouring of God's love in the hearts of our members – REVIVAL.
- The lost people on your Harry & Sally list and for the homecell to GO and INVADE their world.
