

HOMECCELL NOTES

Blessed Positioning – Ps Heinrich

02 AUG 2026

WELCOME

Welcome everyone.

Icebreaker: FOLLOW the Leader. Pick one to be the “GUIDE”. Everyone else closes their eyes, and the guide only gives verbal instructions.

Then ask: What was it like to just obey, one instruction at a time, without seeing the whole picture?

WORD

*“What a beautiful home, God-of-the-Angel-Armies! I’ve always longed to live in a place like this,
Always dreamed of a room in your house, where I could sing for joy to God-alive!”
– Psalm 84:1-2 (MSG)*

Let's have **1–2 people share**:
an encounter with God at church where God became real to them as a loving Father.

Message Recap

God blesses us when we obey Him step by step, not when we work hard on our own. Israel’s leaders learned this the hard way when they made peace with the Gibeonites without asking God first. Ps Heinrich reminded us many of our struggles aren’t spiritual attacks, but simply poor obedience or wrong positioning. The breakthrough we’re crying out for is often already prepared; we just need to move into it. God wants us to seek the Kingdom FIRST and then go and make disciples.

1. Consult God First

Joshua 9:14 - “Then the men of Israel took some of their provisions; but they

did not ask counsel of the LORD.” (NKJV)

READ: Joshua 10: 16, Joshua 10: 12, Joshua 9: 3-6

Discussion:

When the Gibeonites came to Israel disguised as travelers from a far country, the leaders made a peace deal with them without consulting God first. It seemed like a smart move at the time, but it caused problems for generations. When we feel confident and in control, it's easy to make decisions on our own rather than consulting God first. We need to slow down and ask God first.

2. Change your positioning

Joshua 1:8 - “This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.” (NLT)

Discussion:

Sometimes we ask God for the same thing over and over, when really God is asking us to move where He already told us to go. God has already prepared the blessing and opened the door; we just need to walk through it. Obeying God's instructions puts us in the right place to receive what He has for us.

Like being given the keys to a new house in a different town, but you still have to move in to live there.

ASK:

- Is there an area of your life where you feel stuck, even though you keep praying about it?
- What would "moving into the house" look like for you this week?

3. Obedience opens doors

READ:

1 Deuteronomy 28: 1-2 - "If you fully obey the LORD your God and carefully keep all his commands that I am giving you today, the LORD your God will set you high above all the nations of the world. You will experience all these blessings if you obey the LORD your God" (NLT)

John 15: 7, John 15: 10-11 (TPT)

Discussion

God's blessing comes when we obey Him, not when we pray more, fast more, or worship longer. In Deuteronomy, God promised that obedience would cause blessings to come upon His people and overtake them. Obedience isn't about following rules: it's about trusting that God knows the best way for our lives. When we simply do what God has already told us to do, the doors we've been praying for start to open.

ASK:

- What is one thing God has clearly asked you to do that you haven't done yet?

4. Seeking the Kingdom first & Make disciples

Matthew 28: 19-20 - "Now wherever you go, make disciples of all nations, baptizing them in the name of the Father, the Son, and the Holy Spirit. And teach them to faithfully follow all that I have commanded you. And never forget that I am with you every day, even to the completion of this age." (TPT)

Matthew 6: 33-34 "So above all, constantly seek God's kingdom and his righteousness, then all these less important things will be given to you abundantly. Refuse to worry about tomorrow, but deal with each challenge that comes your way, one day at a time. Tomorrow will take care of itself." (TPT)

Discussion:

Jesus said that if we put God's Kingdom first, everything else we need will be given to us. He cares about our jobs, health, family, etc., but He wants those things to follow our relationship with Him, not lead it. To seek the Kingdom first, Jesus' last instructions were to go into all the world and make disciples (every one of us). When we get the order right and put His Kingdom first, sharing Him with others stops feeling like a task and becomes the natural overflow of our life. Start with YOUR WORLD (Neighbors)

ASK:

- What is one small way (a meal, a chat, a prayer) you could reach out to someone this month?
- What usually comes first in your daily thoughts and time?
- Ask yourself: is my faith just for me, or am I sharing it with someone else?

"Keep yourself busy with this; you will position yourself where God has predestined the rain for your life." Ps Heinrich

WORKS

Jesus said: "As the Father sent me, so I am sending you." (John 20:21)

Ask the home cell members:

- How they are going to be Jesus's hands and feet to the people in their world, especially those on the Harry & Sally list?

o Invite this person to church on Sunday so they may experience God's love and be saved.

Pray together for +- 10 minutes for:

- An outpouring of God's love in the hearts of our members – REVIVAL.
- The lost people on your Harry & Sally list and for the homecell to GO and INVADE their world.
