WORD

CHURCH = GOD's HOUSE where His children gather

"...You belong to God's family, as all God's people do...Because you belong to Christ, God is building you all together to become his house. That is where God lives by his Spirit." – Ephesians 2:19, 22 [EASY]

Ask 1 or 2 members to share how coming together with God's children in God's House on Sundays has impacted them.

Message Recap

A powerful message of shifting our perspective of obedience from a forced religious law to a natural response of love for Jesus Christ. Jesus is the way into the Kingdom of God and the foundation of our faith. To move away from the lowest forms of relationship with God, which are serving Him out of duty or self-gain, and instead to abide deeply in Christ, the way a branch stays connected to the vine. When our roots are in the right place, the fruit of the Spirit grows naturally in our lives without striving or forcing it

Let's unpack the following together:

1. The Nature of Obedience

READ: *John 14: 1-6 & John 14: 23-24*

Discussion:

True obedience has nothing to do with rules and everything to do with a relationship. A law forces you to do something out of fear of punishment, but love motivates you to do something even when it costs you. Ps Heinrich used the example of a parent standing on a cold field cheering their child on; it's not an obligation, it's love in action. When we truly love God, doing what He asks doesn't feel like a burden; it feels like a privilege.

ASK:

- Can you think of a time in your life where you did something for God out of obligation rather than love? How did that feel compared to when you did it out of genuine love for Him?
- What is one area in your life right now where obedience feels hard, and how do you think seeing it through the lens of love could change that?

2. Jesus is the Only Way

READ: *John 14: 1-6*

Discussion:

Christianity was not even called Christianity in the early church; it was simply called "The Way" because Jesus made it clear there is only one path to the Father, and that path is through Him.

This is not about religion or rules; it is about a real living relationship with a real person. When you know Jesus personally, everything shifts your motivation, your identity, and

your understanding of who God really is changes completely. Knowing the Way means you are no longer following a set of rules from a distance but walking intimately with someone who loves you deeply.

ASK:

- Before you really knew Jesus personally, what did you think following God looked like, and how has that changed since you came into a relationship with Him?
- Is there someone in your life right now who knows about Jesus but doesn't yet know Him personally?

3. **Stop Serving God for the Wrong Reasons.**

Read: Acts 8: 18-23

Discussion:

The lowest form of relationship with God is when we only serve Him for what we can get out of Him. God is not interested in being used, He wants to be loved. Just like in any real relationship, if you are only there for what you can get, it is not love, it is just convenience.

ASK:

- Have there been seasons where your relationship with God was more about what you needed from Him than who He is to you?
- How do you personally keep your heart in check so that your worship, giving, and serving stay genuine and not just routine or self-motivated?

4. **Abiding in God**

READ: John 15: 1-4, John 15: 5-8, John 14:23, Galatians 5: 22-23, John 10: 10

Discussion:

Jesus used the picture of a vine and branches to show us that fruitfulness is never something we produce by trying harder; it is the natural result of staying connected to Him. The word abide does not mean visiting God on a Sunday like a hotel; it means making your permanent home in His love every single day. Pastor reminded us that we cannot change our fruit without changing our roots, and our roots grow deeper the more we pursue His presence. When we abide in Him, the fruit of the Spirit, love, joy, peace, patience, kindness, just start showing up naturally in our lives.

ASK:

- What does abiding in God practically look like in your everyday life, not just on Sundays but on a Tuesday afternoon or a stressful Thursday morning?
- Which fruit of the Spirit do you feel is growing naturally in your life right now, and which one do you feel God is still working on in you?
- Ps Heinrich said we focus too much on the fruit and not enough on the root. What is one practical thing you can do this week to go deeper in your roots with God?

5. Hunger for God is the Key to Everything

Discussion:

Ps Heinrich ended with something simple but powerful: just pursue God. The more you get of God, the hungrier you become for Him, and the hungrier you are, the more naturally everything else falls into place. He reminded us that when the church

closed during COVID, people lost their hunger quickly because they were getting less of God, and when it reopened, hardly anyone came back. Hunger is not something you manufacture it grows the more time you spend in His presence, and it is the single most important key to walking in obedience, fruitfulness, and purpose.

ASK:

- How hungry are you for God right now, honestly, and what do you think has been feeding or starving that hunger in this season of your life?
- What is one thing you can commit to this week, even something small, that will help you pursue God's presence more intentionally and keep that hunger alive?

Key: There is protection in Obedience. There is protection in the Plan God has for your life.

WORKS

Jesus said: “As the Father sent me, so I am sending you.” (John 20:21)

Ask the home cell members:

- How they are going to be Jesus's hands and feet to the people in their world, especially those on the Harry & Sally list?

o Invite this person to church on Sunday so they may experience God's love and be saved.

Pray together for +- 10 minutes for:

- An outpouring of God's love in the hearts of our members – REVIVAL.
- The lost people on your Harry & Sally list and for the homecell to GO and INVADE their world.
