

HOMECCELL NOTES

His Word is our treasure – Ps Nadia

12 July 2026

WELCOME

Welcome everyone.

Icebreaker: Think of one physical item that you will grab first in an emergency. (something you treasure, not for money value but for what it means to you)

WORD

CHURCH = GOD's HOUSE where His children gather

"...You belong to God's family, as all God's people do...Because you belong to Christ, God is building you all together to become his house. That is where God lives by his Spirit." – Ephesians 2:19, 22 [EASY]

Ask 1 or 2 members to share how coming together with God's children in God's House on Sundays has impacted them.

Message Recap

We do not have an information problem, but a revelation problem - PS Nadia

The message was all about how God's Word is a personal treasure. Just like real treasure, the deeper you dig, the more you find. It's not about watching one more sermon or listening to one more podcast; it's about actually opening the Bible ourselves and spending real time with God.

We looked at Abraham and Sarah, Elijah, and the ten virgins, and they all taught the same lesson: when we slow down, spend time with God, and really listen, He shows us what to do next and gives us the strength to do it. But when we don't make that time, we end up

stuck, trying to figure things out on our own. When we treasure God's Word, our hearts will always follow right along with it

1. His Word is Treasure

Psalms 119:162 - "I rejoice in your word like one who discovers a great treasure." (NLT)

Matthew 13:44 - "The Kingdom of Heaven is like a treasure that a man discovered hidden in a field. In his excitement, he hid it again and sold everything he owned to get enough money to buy the field." (NLT)

Discussion:

God has a specific treasure for each of us hidden in His word, but we have to actually go looking for it. It's not going to fall into our lap while we're scrolling through social media or half-listening to another podcast. Jesus put it this way: the Kingdom of Heaven is like treasure hidden in a field so valuable that when a man found it, he was willing to sell everything he owned just to get that one field. That's the kind of value God's Word carries in our lives. It's not just another book. It's wealth that matters more than anything money could ever buy.

ASK:

- When you think of something you've searched hard for and finally found it, how did it feel compared to something that was just handed to you?
- What are some "fields" (habits or distractions) you might need to "sell" to make more room for God's treasure?

2. Logos vs Rhema

Matthew 6:33 - "Seek the Kingdom of God above all else, and live righteously, and he will give you everything you need." (NLT)

John 14: 26 - “ But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all things that I said to you.” (NKJV)

Discussion:

There is a big difference between reading the Bible and actually hearing from God through it.

Logos is the written Word on the page, available to anyone who opens the Bible. It's true and powerful, and it's the foundation of everything we believe. Logos can just stay information, words you read and move past.

Rhema means the Holy Spirit takes those same words and makes them personal. He reveals them to you, right where you are and for exactly what you're going through. That's the moment a verse that you've read a hundred times suddenly hits different. Like God reached off the page and spoke straight to your situation.

LOGOS builds the foundation, but Rhema is God speaking life into it. This happens when we slow down long enough to actually listen and not just read the words on the page.

ASK:

- What usually gets in the way of you slowing down enough to actually listen and not just read?
- Can you remember a time a verse you'd read many times before suddenly “ came alive” and spoke to your situation?

3. The Word gives Direction

READ: Psalm 119:105

Discussion

Sarah received a promise from God, but got impatient waiting for it. She made her own backup plan with Hagar instead of revisiting God's Word and trusting His timing (this led to Ishmael instead of

Isaac). Reminding us that not every open door/opportunity is God's assignment for us. When we spend less time in the Word, we are more likely to make decisions out of impatience rather than convictions. God's Word is described as "a lamp to my feet and a light to my path." It's meant to guide everyday decisions, not just big spiritual ones.

ASK:

- Have you ever gotten impatient waiting on a promise and made your own plan B? What did you learn from that situation?

4. **Tuck in your MANTLE**

1 Kings 18: 46 - "Then the LORD gave special strength to Elijah. He tucked his cloak into his belt and ran ahead of Ahab's chariot all the way to the entrance of Jezreel."

Discussion:

Elijah tucked his mantle into his belt to free up his legs so he could run faster than the chariot, a picture of getting ready to move in the authority God had given him. All born-again believers carry a "mantle" (a specific area of authority and calling), but you must "tuck it in" by building your character in the Word of God. God isn't asking us to do something big or dramatic first; it can be small/unseen obedience (forgiving someone, spending time in the Word, or just a private conversation). He asks us for faithfulness in the small areas so He can trust us with the bigger picture.

TUCK IN YOUR MANTLE AND START RUNNING FOR GOD, doesn't matter how impossible the situation looks.

ASK:

- What's one small thing God might be asking of you right now that you've been putting off?

5. Keep your oil Full

READ: Romans 10: 17 and Matthew 25: 1-13

Discussion:

In the parable of the ten virgins, five were ready with extra oil, and five weren't, and when the moment came, the unprepared ones couldn't simply borrow oil from someone else. The oil in the lamps represents your faith, which is built by spending time in God's Word. You cannot "borrow" someone else's relationship/revelation with God in your life.

Borrowed Oil - Secondhand sermons, other people's revelations (takeout every night). This can inspire us but can't replace your own oil. The question isn't whether you'll face a moment that demands more than you have. It's whether you'll have oil in reserve when it comes, or be scrambling to find it too late.

ASK:

- How would you describe the current state of your "oil"?

Conclusion:

Where our money goes shows where our heart really is. The same principle applies to God's Word. If we make time and space for it, our hearts naturally start to follow. The things we used to fight so hard to change (habits, addictions, old patterns) start shifting almost on their own because our heart has genuinely moved. It's not about forcing discipline; it's about what we treasure, shaping what we love.

WORKS

Jesus said: "As the Father sent me, so I am sending you." (John 20:21)

Ask the home cell members:

- How they are going to be Jesus's hands and feet to the people in their world, especially those on the Harry & Sally list?
- o Invite this person to church on Sunday so they may experience God's love and be saved.

Pray together for +- 10 minutes for:

- An outpouring of God's love in the hearts of our members – REVIVAL.
- The lost people on your Harry & Sally list and for the homecell to GO and INVADE their world.
